ENGLISH SPEAKING CLUB 101- MRS. MINH ANH, MR. FRED, DR. TRAN, MS. QUYEN, 104 STUDENTS

The topic for our meeting was about the positives and negatives of using social media. Most students agreed that social media helps them to connect with friends and get updated news. However, the negative side of using social media are wasting a lot of time on it, bullying others and reading fake news. Cyber bullying is a huge concern for this generation since it's easier to attack someone through the Internet than in person. The "Six Harmonies" was also embedded in our discussion so that we can practice the 2nd harmony - speaking without conflict.
